“This Book May be the Most Inspired and Rewarding Read of the Year for Anyone Who has Ever Known or Loved an Animal.”

THE VILLAGES, FL, October 11, 2011 – ZZP Publishing LLC proudly presents Deborah Barnes, author of “The Chronicles of Zee & Zoey – A Journey Of The Extraordinarily Ordinary” who will be holding her first book signing at The Villages Waterfront Inn Pet Paw-ty on Monday, October 31, 2011. The book’s official release date is November 1, 2011.

“Sometimes in life, we are faced with challenges and circumstances that we did not expect. And sometimes as a result of these events, we learn lessons along the way and become a better person,” said author Deborah Barnes. “What makes this story so appealing is that it is told through the personal trials and tribulations of my own life in the context of everyday situations that anyone can relate to. You’ll certainly laugh, and occasionally you will cry, but most of all, you’ll learn the most important lesson of all – to embrace the ordinary in your life and dare to make it extraordinary.”

In *The Chronicles of Zee & Zoey*, author Deborah Barnes narrates the true story of the powerful and inspirational relationship that is formed between herself and her cats in a tale that is sure to tug at the heartstrings of animal lovers everywhere. Combining a warm, conversational, and humorous style of writing accompanied by stunning photographs, charming artwork, and custom illustrations, readers are invited into the magical world of the author’s two amazing cats; Zee, a lovable male Maine Coon, and Zoey, a free-spirited female Bengal, as well as an evolving cast of feline and human characters in a compelling story that will capture your heart.

The *Chronicles of Zee & Zoey* has already gained critical attention and recognition:

“The *Chronicles of Zee & Zoey* will make you laugh, smile, and occasionally wipe away a few tears. A treasure for cat lovers of all ages.” -- Ingrid King, author, *Buckley’s Story*

“Zee & Zoey are the charismatic stars of *The Chronicles*, but Deborah Barnes also introduces readers to the evolving cast of characters of an entire feline community. I was immersed in the richness of their lively stories and the laughter and tears that are part of sharing our lives with these sensitive creatures. The author exquisitely captures how they give us so much in exchange for so little. This book may be the most inspired and

rewarding read of the year for anyone who has ever known or loved an animal.” – Carol M. Upton, Freelance Writer, Co-Founder Sunshine Coast School of Writing

“The Chronicles of Zee & Zoey are a treasure, simply enchanting, captivating and engrossing, both as a true story the author shares about her life with her feline clan, and as a visual masterpiece of stunning photographs and delightful artwork. They say animals are drawn to those who emit a ‘blue light’ and Deb must have this aura radiating from her like a floodlight because she doesn’t just write about her love for her cats, she LIVES it as well. Because of this innate understanding she has for this beloved species and the trust they have for her, she is able to translate the most ordinary of everyday life events into a story that is nothing less than extraordinary.” – Caren Osrin-Gittleman, Pet Blogger & Freelance Writer

Deborah Barnes will be present at The Villages on Monday, October 31, 2011 from 11:00 am to 2:00 pm at the Waterfront Inn Pet Paw-ty. The event will afford participants the ability to purchase Deborah’s book, have it signed, and learn more about embracing the ordinary in your life and making it extraordinary.
